The Winterfield Methodist Church in Longview was formed in 1883 in the Winterfield Community of Gregg County. As was the custom in those days the church soon acquired adjacent land for a cemetery. An Official Texas Historical Marker for Winterfield Methodist Church was dedicated October 6, 1995. What follows is a description of Winterfield Cemetery for the purpose of applying for an Official Texas Historical Marker for Winterfield Cemetery.

Biographical information about Rae Barner who researched this information

Mrs. Garner's husband, Howard Garner, is a descendent of a pioneer Winterfield community family. Although not a native Texas, Rae has done a mammoth work for Texas and Gregg County. She almost single-handedly searched for and found all known caucasian cemeteries in Gregg County. She then listed all burials located. This information was published in five volumes by the Gregg County Genealogy Society and are for sale at the Longview Public Library.

Obituaries are read and burials recorded on a daily basis at the Longview Public Library for future publishing. The Gregg County Historical Commission does not have these volumes.

Mrs. Garner also compiled the Winterfield Cemetery Book which was published by the East Texas Genealogical Society in Tyler, Smith County, Texas in 1986. The Gregg County Historical Commission has one of the 150 copies which were printed.

WINTERFIELD CEMETERY  
Longview, Texas

---

Winterfield Cemetery is an old country cemetery living in the modern times. Located about three miles north of Longview, on Tryon Street, across from the Winterfield United Methodist Church. It is the resting place of about 500 settlers of the surrounding Winterfield community (a part of Longview), many who were farmers, productive men in their chosen fields, official men serving the city and county in official capacities such as Justice of the Peace, Precinct commissioner, Sheriff, Deputy Sheriff, religious men who served their church well in the capacity as Music Director, Sunday School Superintendant. One man, Jacob Belton Lagrone was one of the Founders of the Noonday Holiness Camp near Hallsville, Harrison county, Texas on Oct 15, 1898. Another man, Goin Bell Richardson was one of the original trustee board members of the Winterfield church in the 1880's at the formation of the church.

Location of the cemetery is approximately 3/10's of a mile off Eastman Road. It is a well-kept cemetery, continues to be in full use to this day. It measures approximately 286' by 240'. Surrounded by a cyclone fence in front with two driveway entrance gates, wire fence on the sides, and a wooden board fence in the back of the cemetery. A wrought iron overhead sign lets all know that this is Winterfield Cemetery.

Located on farm property originally purchased by July and Martha HOWARD GARNER from Nancy RICHARDSON on Jan 29, 1879, it has provided a resting place for many descendants. Original burials in this cemetery include four small children, Joel S. BRIGHT, son of George L. and Lucy R. WEBB BRIGHT, niece of July and Martha HOWARD GARNER, who died Nov. 1, 1887. Jessie L. WEBB, daughter of Joe and Sarah HOWARD WEBB, sister of Martha HOWARD GARNER, who died Nov. 9, 1887. Another child, an infant son of William J. and Virginia CULVERHOUSE GARNER, nephew of July GARNER died Feb 8, 1890. And A. B. BRIGHT, daughter of Oliver and Dor BRIGHT, died Nov 18, 1890.

The first adult burial was Sarah SMITHERMAN FULGHAN, born July 21, 1812, died Dec 22, 1889. She was the mother-in-law of William Jackson GARNER, brother to July GARNER.

A note of interest, three of these old markers, Joel BRIGHT, Jessie WEBB, and Sarah FULGHAM are facing the west end of the cemetery instead of the traditional east. All other older markers are in the customary places.

July GARNER, born July 14, 1842 in Bibb Co, Ala, died May 3, 1913, is buried at Mt. Bethel Cemetery, Carthage, Panola county, Tx., while his wife Martha HOWARD GARNER, born May 28, 1842 in Tuscaloosa Co, Ala, died Dec. 4, 1923 is buried next to their only child Evans Howard and Murrilla SHOULTS GARNER. Since then, many descendants of both July and Martha HOWARD GARNER and William Jackson and Rebecca FULGHAM GARNER have been laid to rest in this old cemetery.

In early 1900's, the graves were kept clean by family members who, with their hoes and rakes, allowed not one weed or a blade of grass to grow over the dirt mounds. They assembled as often as need to perform this loving task for their loved one.

Cedar trees were planted along the driveways in the 1920's, giving the area some shade, bushes planted among the plots for beautification. According to Bedford Bardwell, one of the Sextons of the Winterfield Cemetery Association, many years ago, graves were dug 6 feet deep to accommodate the wooden coffins with rocks on the bottom of the grave site for drainage. Now the procedure is done by machinery 4 feet deep with a concrete vault placed in the site.

Gregg County Precinct 2 Commissioners were responsible for the care of the cemetery at least twice a year to keep the grounds cleaned. On Sep 9, 1971, according to information from the president Frankie Butler of the Winterfield Cemetery Association, the Association was formed for the purpose of maintaining the grounds with perpetual care covered by yearly donations. Meetings are held yearly, the third Saturday in May, with business details discussed, then an informal set-down covered dish dinner. After which, all are invited to walk over to the Cemetery to see the grounds.

It is hoped that in the next hundred years, this old country cemetery will continue to receive the care and respect from others that it has been received in over the past one hundred and eight years.

## WINTERFIELD CEMETERY ASSOCIATION

-----

The Winterfield Cemetery Association was first formed according to available records on September 9, 1971. Prior to this, Gregg County had the responsibility of the upkeep of the cemetery grounds.

Officers elected at this time, served temporarily until an official election could be held at the first Winterfield Cemetery Association meeting on the third Saturday of May of the following year.

Serving at this time: President, Frankie Butler, vice-president, Ruby Strong, treasurer, Louise Corley. Marvin Richardson and Hollice Richardson served as caretakers of the cemetery. Their responsibilities were arranging plots for burials, care of the mound after burial, keeping the markers and areas cleaned of weeds, rocks, etc.

At the Association meeting in May, 1972, the elected slate of officers were: President, Frankie Butler, vice-president, Ruby Strong, treasurer, Mary Ann McWhorter, and secretary, Charlotte Hawkins.

Officers elected in May 1977 to serve were: President, Gladys Moore, vice-president, Frankie Butler, secretary, Charlotte Hawkins, and treasurer, Mary Ann McWhorter.

The Board of Directors included Marvin Richardson, Bedford Bardwell, Morgan McWhorter, Iva Moore, Ruby Strong, and as honorary member, Roy Richardson.

When Roy Richardson was unable to fulfill his obligations as the caretaker of Winterfield Cemetery due to health problems, Marvin Richardson, Bedford Bardwell and Morgan McWhorter served as acting caretakers for many years.

At the Association meeting on May 15, 1981, the following officers were approved: President, Frankie Butler, vice-president Ruby Strong, secretary, Charlotte Hawkins, and treasurer, Mary Ann McWhorter. Morgan McWhorter and Bedford Bardwell were appointed as caretakers of the cemetery as both Marvin Richardson and Roy Richardson had passed away.

April 1, 1982, the Winterfield Cemetery Association received their Charter of Corporation from the State of Texas.

In January 1986, the slate of Officers included: President, Frankie Butler, vice-president, Ruby Strong, secretary, Charlotte Hawkins, and treasurer, Mary Ann McWhorter. The Board of Directors for this term consist of Charlotte Hawkins, Mary Ann McWhorter, Bedford Bardwell, Morgan McWhorter, Iva Moore Neie, and Billy Tom Smelley. Bedford Bardwell and Morgan McWhorter continue as caretakers of the cemetery.

The annual Winterfield Cemetery Association meeting is held in May on the Saturday after Mother's Day. Members are notified at least 30 days in advance of the meeting. Yearly donations from members are used for the administration and upkeep on the cemetery. The meeting is held at the Fellowship Hall of Winterfield United Methodist Church and a covered dish dinner is served prior to the business meeting.

John 14: 1-7

1. Let not your heart be troubled; Ye believe in God, believe also in me.
2. In my Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you.
3. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.
4. And whither I go ye know. and the way ye know.
5. Thomas saith unto him, LORD, we know not whither thou goest; and how can we know the way?
6. Jesus saith unto him, I am the way, the truth and the life: no man cometh unto the Father, but by me.
7. If ye had known me, ye should have known my Father also: and from henceforth ye know him, and have seen him.

ACKNOWLEDGEMENT

-----

When July G. and Martha Ann Howard Garner purchased about fifty acres of land from Mrs. Nancy Harrison Richardson on January 29, 1879, the property was located in the Winterfield community, near what is now Tryon Road.

On November 1, 1887, a nephew, Joel S. Bright, son of George L. and Lucy Rebecca Webb Bright, died. On November 9, 1887, a niece Jessie L. Webb, daughter of Joel W. and Sarah Jane Howard Webb, died. These two children were related to July and Martha Garner, so were laid to rest in a portion of the Garner farm, later to be used as a family cemetery. The first adult burial was Sarah Smitherman Fulgham, 77 years old, who died July 22, 1889. She was the mother of Rebecca Caroline Fulgham Garner, the wife of William Jackson Garner, who was a brother of July G. Garner.

Throughout the years, many family members have been laid to rest in this old country cemetery. Old-timers can recall many cedar trees, alpha bushes, some plants, that were abundant on the sandy burial grounds. As the cemetery grew larger, a cemetery working party was convened with brooms and rakes, known as sweeping the cemetery, this was done annually. After the work had been finished, dinner-on-the ground, followed with fellowship enjoyed by all family members.

This same fellowship prevails today with the annual Cemetery Association meetings held each May on the Saturday after Mother's Day.

Please note that from the marker to the notebook to the final printed copy, mistakes may have been made. Any corrections or additions would be appreciated.

Very special bouquets of thanks go to many people for their assistance in the preparation of this book...to Pauline Cox, Local History Librarian at Nicholson Library for the use of the old newspapers microfilm and the binders to locate death notices of early burials...and completion of the cover page.....to Rose Skinner for her sketch of the old cemetery gates taken from a snapshot belonging to Mr. and Mrs. Henry Jester, taken after the burial of an infant son in June 1942...to all members of Winterfield Church who provided much of the family information.

Dr. Beach -

Sorry I'm late. Just here is the paper work on J. T. Meadows, copies I was able to get held off from his daughter in-law - Mrs. Margaret Williams.

She had no paper work to mention about the Medal of Honor being issued - nor is there a mention on his separation papers so it must have been issued at a later date.

She did mention her daughter has all his medals and citations and was writing to her at my request to see if she would send a copy of that particular medal.

I also found a clipping in my Cemetery Book Vol 5 that concerns Gladwater that Mag Isaac Watkins receiving an official V A Medal of Army marker. This fact is 6-26-1991. I will call Dan Younger (as who ever is in charge of the Medal of Honor Historical Society - Monday and see if I can get some information. They may have a copy of his papers.

Also - Rev. Tom Cruise is no longer our Pastor. New pastor as of today, June 11, is Rev. Carolyn HENDRICK - do you need to send notice to the State Society & let them know of the change?

Thank you for the sample cemetery marker. Make my offering very small compared to this one.

Sincerely -

Rae Garner

Oh yes - nearly forgot - Mrs. Williams told me that years ago - there was an Indian Cemetery behind their home on Irwin Rd (Eastman Road covered it) the father-in-law talked to a Mr. Weidenmeyer about (J.T. Meadows)

it but he wanted no publicity since didn't want people going thru his yard to see it. Do you know anything about it. Think this would be a very interesting article to check out, although hard to believe the state would construct a highway over a burial ground. But Mrs Williams said there was nothing back there but a lot of pine trees & the old railroad tracks that went up to Ore City. She might be an interesting person to talk too if you wanted to get some first hand information.

Re: Meadows, James T  
SN: 38-056309

We have been unable to locate the record needed to answer this inquiry. If the record were here on July 12, 1973, it would have been in the area that suffered the most damage in the fire on that date and may have been destroyed.

Fortunately, a number of alternate sources of information exist which enable this Center to reconstruct service record data lost in the fire. We will attempt to obtain the required information from these sources if you will assist us by completing the questionnaire on the reverse side of this letter. It is important to remember that we need all possible information that you can furnish. In addition, it will be helpful if you will enclose copies of any papers you may have relating to the military service, such as military orders, award citations, military addresses, and other related materials.

(If, however, your request is for medals only, and you can send us a copy of your report of separation (DD Form 214, WDAGO Form 53-55, etc.), we will not need the completed questionnaire, or any other military papers.)

If this inquiry involves a military record other than your own, the Privacy Act of 1974 requires that we have the written consent of the individual whose records are involved before considering your request. If the person is mentally incompetent, the legal guardian must sign the release (The legal representative or guardian should furnish a copy of the court appointment.). Although the Privacy Act does not apply to the records of deceased individuals, Department of Defense instructions indicate that we must have the written consent of the next of kin if the individual is deceased. For purposes of the release authorization, the next of kin is defined as any of the following: unremarried widow or widower, son or daughter, father or mother, brother or sister. If you are able to obtain the written consent, please return your request to us.

PLEASE REMEMBER TO RETURN YOUR ORIGINAL REQUEST TO US WHEN YOU RESPOND TO THIS LETTER, SINCE WE DID NOT KEEP A COPY OF YOUR REQUEST. AS SOON AS WE RECEIVE YOUR RESPONSE, EVERY EFFORT WILL BE MADE TO PROCESS YOUR REQUEST AS SOON AS POSSIBLE.

RE: WINTERFIELD CEMETERY  
18" x 28" marker w/ post  
Job # 08596 Received: 11/27/95

Dear Dr. Black:

We have received the above-referenced marker application. The application will be reviewed and evaluated by the Texas Historical Commission staff in the order in which it was received. Currently, there is a three to four month wait between the time subject marker applications are received and evaluated. Should additional information be needed for the review, we will contact you and any parties listed below at that time. After any deficiencies have been corrected, we will send copies of the application to the members of the State Marker Review Board, who will make the final determination of the topic's acceptability for marking.

We will notify all parties as soon as the Board makes its decision. If the topic is approved for marking, payment will be requested at that time. If not approved, the application will be returned along with a letter of explanation.

Because of the variables involved in the marker process, and because we must coordinate our orders with the schedule of the contracting foundry, we suggest that the date of the marker dedication not be set until the completed marker is received.

We appreciate the effort made to record this topic. Should there be any questions about the status of this marker application, please contact me at 512/463-5853.

Sincerely,

RE: WINTERFIELD CEMETERY  
18" x 28" marker w/ post  
Job #: 08596; Shipment to address above

Dear Dr. Black:

We have ordered the above-referenced marker for casting. Due to a backlog at the foundry, it is currently taking about 16 weeks for delivery. However, this is just an estimate; a final shipment date will depend on the foundry's workload. A copy of the final inscription as it was sent to the foundry is enclosed for your files. According to our records, the marker should be shipped to the address above. If these instructions have changed during the marker process, please let me know as soon as possible so that I may notify the foundry.

If you have not already done so, this would be a good time to begin planning the marker dedication ceremony. However, please avoid setting the dedication date until the marker is received. The estimated shipping date above does not take into account potential shipping problems or other unforeseen delays, and the best laid dedication plans could be upset if planned around this time estimate. We will notify you and all parties listed below once the marker has been shipped from the foundry. A guide to planning a dedication ceremony is available from our office upon request. Since this is a state program, we suggest that your state senator and/or representative be included in the program, as well as your county judge and commissioners who have appointed your county historical commission.

Enclosed is a form for announcing the dedication in the THC's bi-monthly newsletter, The Medallion; in the marker dedication calendar, which is distributed to agency commissioners and staff; and in the monthly News for County Historical Commissions, once details have been finalized.

Again, please let me know if there has been a change in the shipping address, or if you would like a marker dedication guide.

Sincerely,

## Group to unveil historical marker

The Winterfield Cemetery Association will have the unveiling of a state historical marker for the cemetery at 1 p.m. Saturday, in celebration of the site's 109 years of continuous use for descendants of original land owners.

The cemetery, at 2616 Tryon Road in Longview, contains over 500 graves and continues to offer burial spaces for family members of early-day residents of Gregg County and Longview.

A covered dish luncheon and association business meeting preceding the unveiling will be held in Fellowship Hall at Winterfield

United Methodist Church.

In 1995, Winterfield UMC celebrated homecoming weekend with the unveiling of a Texas historical marker commemorating 120 years of service to the community.

Dr. Norman Black, chairman of the Gregg County Historical Society, is in charge of Saturday's ceremonies. Officers of the cemetery association are Frankie Butler, president; Charlotte Hawkins, secretary-treasurer; and Rae Garner, historian.

The Rev. Carolyn Hendrick of Winterfield UMC will give the invocation.

The cemetery began in a small corner of a farm, with the burial of an infant belonging to July Garner and his wife, Martha Howard Garner. The second burial site was for Sarah Smitherman Fulgham. Other familiar family names are Bardwell, Blalock, Bright, Carter, Corley, Davis, McFarland, Reel, Richardson, Smelley, Tutt and Webb.

Many of the men buried in Winterfield Cemetery were veterans of the Civil War, World War I, World War II, farmers, city and county officials and church leaders.

This cemetery began on the farm purchased in 1879 by July G. and Martha HOWARD GARNER. Land was set aside for a family cemetery upon the deaths of the Garners' nephew, Joel S. Bright, and niece Jessie L. Webb, in November 1887. This family cemetery eventually became a community graveyard with more than 500 graves. Among those buried here were farmers, city and county officials, and church leaders. Site maintenance, completed in the early 1900's by family members, was succeeded in 1971 by the Winterfield Cemetery Association. The site continues to serve the community.

Welcome to the dedication of an Official Texas Historical Marker: The Winterfield Cemetery. This ceremony is authorized by the State of Texas and the historical marker sponsored by the Texas Historical Commission, and the Gregg County Historical Commission and the Winterfield Cemetery Association. This occasion is a special one in at least two ways. Winterfield Cemetery is only the second cemetery in Gregg County to be awarded an Official Texas Historical Marker. The first cemetery receiving this distinction was the Rosedale Cemetery in Gladewater by in 1978. Its unique claim is that it was the richest cemetery in the world, having oil wells on the property. This cemetery, Winterfield, may be the only one in Texas adjacent (right acrosss the road) from a church of the same name. This is the resting place of many fine citizens and leaders of the community and county as well as being your ancestors and family.

The text of the marker will now be read by Rae Garner/Historian of the W.C.A. followed by the unveiling by Rae and Frankie Butler who is President of the Winterfield Cemetery Association. (then benediction by Rev. Hendrick)

#### ACKNOWLEDGEMENT

-----

When July G. and Martha Ann Howard Garner purchased about fifty acres of land from Mrs. Nancy Harrison Richardson on January 29, 1879, the property was located in the Winterfield community, near what is now Tryon Road.

On November 1, 1887, a nephew, Joel S. Bright, son of George L. and Lucy Rebecca Webb Bright, died. On November 9, 1887, a niece Jessie L. Webb, daughter of Joel W. and Sarah Jane Howard Webb, died. These two children were related to July and Martha Garner, so were laid to rest in a portion of the Garner farm, later to be used as a family cemetery. The first adult burial was Sarah Smitherman Fulgham, 77 years old, who died July 22, 1889. She was the mother of Rebecca Caroline Fulgham Garner, the wife of William Jackson Garner, who was a brother of July G. Garner.

Throughout the years, many family members have been laid to rest in this old country cemetery. Old-timers can recall many cedar trees, alpha bushes, some plants, that were abundant on the sandy burial grounds. As the cemetery grew larger, a cemetery working party was convened with brooms and rakes, known as sweeping the cemetery, this was done annually. After the work had been finished, dinner-on-the ground, followed with fellowship enjoyed by all family members.

This same fellowship prevails today with the annual Cemetery Association meetings held each May on the Saturday after Mother's Day.

Please note that from the marker to the notebook to the final printed copy, mistakes may have been made. Any corrections or additions would be appreciated.

Very special bouquets of thanks go to many people for their assistance in the preparation of this book...to Pauline Cox, Local History Librarian at Nicholson Library for the use of the old newspapers microfilm and the binders to locate death notices of early burials...and completion of the cover page.....to Rose Skinner for her sketch of the old cemetery gates taken from a snapshot belonging to Mr. and Mrs. Henry Jester, taken after the burial of an infant son in June 1942...to all members of Winterfield Church who provided much of the family information.

And a very special bouquet of thanks is offerered to "Aunt Tessie",  
Rebecca Mae Garner Ferguson who helped me to get started on the Garner  
family research some years ago, leading up to the compilation of this book.

MY TRAIN TO HEAVEN

By: C. E. Wieser

I see my train is coming  
I must say my last goodbye  
I will be aboard the Special  
that will take me to the sky.

Heaven is my destination  
And my ticket reads  
"One Way".  
I've prepared for this long  
journey  
That I knew I'd take some day.

There will be no red lights  
flashing  
just the green lights guiding  
through,  
And no curves or railroad  
crossings  
On this tract through skies of  
blue.

I will find my Savior waiting  
With his hand stretched out  
for me,  
Where I know we'll be  
together  
Throughout all eternity.

John 14: 1-7

1. Let not your heart be troubled; Ye believe in God, believe also in me.
2. In my Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you.
3. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.
4. And whither I go ye know. and the way ye know.
5. Thomas saith unto him, LORD, we know not whither thou goest; and how can we know the way?
6. Jesus saith unto him, I am the way, the truth and the life: no man cometh unto the Father, but by me.
7. If ye had known me, ye should have known my Father also: and from henceforth ye know him, and have seen him.

-----

O God of infinite compassion, who art the comforter of thy children: Look down in thy tender love and pity, we beseech thee, upon thy servants. In the stillness of our hearts we entreat for them thy sustaining grace. Be thou their stay, their strength, and their shield, that trusting in thee they may know thy presence near, and in the assurance of thy love be delivered out of their distress, through Jesus Christ our Lord. Amen.

In Winterfield cemetery, the older  
Garner bunch buried there.  
But later years younger ones  
lived elsewhere.  
Our brother, sister and dad buried  
Winterfield lots.  
Later years mother buried in the  
same plot.  
Our younger bunch chose a place  
of their own.  
To be buried close to their home,  
so not feel all alone.

Eternal Father, guardian of our lives;  
 we confess that we are children of dust,  
 unworthy of your gracious care. We have  
 not loved as we ought to love, nor have we  
 lived as you command, and our years are  
 soon gone. Lord God, have mercy on us.  
 Forgive our sin and raise us to new life,  
 so that as long as we live we may serve you,  
 until dying, we enter the joy of your presence;  
 through Jesus Christ our Lord, Amen.

PSALM 23  
-----

1. The LORD is my shepherd; I shall not want.
  2. He maketh me to lie down in green pastures; he leadeth me beside the still waters.
  3. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.
  4. Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me.
  5. Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over.
  6. Surely goodness and mercy shall follow me all of the days of my life: and I will dwell in the house of the LORD for ever.

It is very necessary to include the following information in this, the story of Winterfield Cemetery. There are no markers for these burials, very few left, who can remember where the graves of the departed are located. Memories recall cedar trees, bushes, etc., but alas, time has erased all traces of these guides. Death notices, obituaries, family information will be referenced.
