To the Community Supervision & Corrections Department Board and Management:

The following represents our understanding of the services we will provide Gregg County Community Supervision and Corrections Department (CSCD).

You have requested that we audit the financial statements of Gregg County CSCD, as of August 31, 2018, and for the year then ended and the related notes to the financial statements, which collectively comprise Gregg County CSCD's basic financial statements. We understand that the financial statements will be presented in accordance with the Texas Department of Criminal Justice-Community Assistance Division (TDCJ-CJAD) reporting requirements which include the *Fiscal Year 2018 Independent Audit Guidelines, Compliance Requirements, Standard Reporting Formats, and Compliance Checklist*. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audit will be conducted with the objective of our expressing an opinion on the Department's financial statements in accordance with the financial reporting provisions of the TDCJ-CJAD.

Supplementary information will accompany the Gregg County CSCD's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and perform certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the financial statement or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements as a whole:

Auditor Responsibilities

We will conduct our audit in accordance with U.S. GAAS, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America, and the *Fiscal Year 2018 Independent Audit Guidelines, Compliance Requirements, Standard Reporting Formats, and Compliance Checklist*, issued by TDCJ-CJAD. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the basic financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the basic financial statements, whether due to fraud or error, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements.

An audit also includes evaluating the appropriateness of accounting policies used, as well as evaluating the overall presentation of the basic financial statements. If appropriate, our procedures will therefore include tests of documentary evidence that support the transactions recorded in the accounts and direct confirmation of cash and certain revenue by correspondence with financial institutions and TDCJ-CJAD. As part of our audit process, we may request written representations from your attorneys, and they may bill you for responding. At the conclusion of our audit, we will also request certain written representations from you about the basic financial statements and related matters.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements (whether caused by errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations) may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS, *Government Auditing Standards*, and *Fiscal Year 2018 Independent Audit Guidelines, Compliance Requirements, Standard Reporting Formats, and Compliance Checklist*.

In making our risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the basic financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the basic financial statements that we have identified during the audit. Our responsibility as auditors is, of course, limited to the period covered by our audit and does not extend to any other periods.

We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs or withdraw from the engagement. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

Government Auditing Standards require that we document an assessment of the skills, knowledge, and experience of management, should we participate in any form of preparation of the basic financial statements and related schedules or disclosures as these actions are deemed a non-audit service.

Other Services

We will assist in preparing the financial statements and related notes of Gregg County CSCD's in conformity with TDCJ-CJAD regulatory requirements. These non-audit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. These services are limited to assisting in the preparation of the financial statements and related notes of Gregg County CSCD. Our firm, in its sole professional judgement, reserves the right to refuse to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities, including determining account coding and approving journal entries. Our firm will advise Gregg County CSCD with regard to financial preparation, but Gregg County CSCD must make all decisions with regard to those matters.

Compliance with Laws and Regulations

As previously discussed, as part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatement, we will perform tests of Gregg County CSCD's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

Management Responsibilities

Our audit will be conducted on the basis that management and, when appropriate, those charged with governance acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with the Texas Department of Criminal Justice - Community Justice Assistance Division (TDCJ-CJAD) Reporting Requirements;
2. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements; and
3. To provide us with:
 - i. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
 - ii. Additional information that we may request from management for the purpose of the audit; and
 - iii. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.
4. For including the auditor's report in any document containing financial statements that indicates that such financial statements have been audited by the entity's auditor;

5. For identifying and ensuring that the entity complies with the laws and regulations applicable to its activities; and
6. For adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year period(s) under audit are immaterial, both individually and in the aggregate, to the financial statements as a whole.
7. For maintaining adequate records, selecting and applying accounting principles, and safe guarding assets.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility: (a) for the preparation of the supplementary information in accordance with the applicable criteria; (b) to provide us with the appropriate written representations regarding supplementary information; (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information; and (d) to present the supplementary information with the audited financial statements, or if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.

As part of our audit process, we will request from management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit.

With respect to any non-attest services we will not assume management responsibilities on behalf of Gregg County CSCD, we will provide advice and recommendations to assist management in performing its responsibilities. Management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

The Fiscal Officer for the CSCD will be responsible for reviewing the draft of the Independent Audit Report for compliance with the *Fiscal Year 2018 Independent Audit Guidelines, Compliance Requirements, Standard Reporting Formats, and Compliance Checklist*, and review the financial statements for accuracy before issuance of the final Independent Audit Report.

Reporting

We will issue a written report upon completion of our audit of Gregg County CSCD's financial statements. Our report will be addressed to the governing body of Gregg County CSCD. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions, add emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement. If our opinion on the financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or to issue a report as a result of this engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance will not be an objective of the audit and, therefore, no such opinion will be expressed.
