Standard Terms & Conditions

- Gregg County reserves the right to not accept late statements. Each firm is responsible for insuring that responses to this RFQ have been delivered by the date, time and to the location as specified in this Request for Qualifications. The receipt of the qualifications submitted will be acknowledged as received only, and does not constitute any acceptance by Gregg County as an offer. Documentation will become a part of the Commissioners Court minutes only after selection is made, if any.
- Only the Commissioners Court of Gregg County, Texas acting as a body may enter into any type of agreement or contract on behalf of Gregg County. Department heads, other elected or appointed officials, are not authorized to enter into any type of agreement or contract on behalf of Gregg County, or to agree to any type of supplemental agreements or contracts for goods or services. Contracts are subject to review by the County's attorney prior to signature by the authorized County official.
- Gregg County is wholly committed to developing, establishing, maintaining, and enhancing minority business involvement in the total procurement process. The County, its contractors, their suppliers and sub-contractors, vendors of goods, equipment, services, and professional services, shall not discriminate on the basis of race, color, religion, national origin, age, handicap, or sex in the award and/or performance of contracts. However, competition and quality of work remain the ultimate standards in contractor, sub-contractor, vendor service, professional service, and supplier utilization. All vendors, suppliers, professionals and contractors doing business or anticipating doing business with Gregg County shall support, encourage and implement steps toward our common goal of establishing equal opportunity for all citizens of Gregg County.
- Gregg County reserves the right to request clarification of information submitted and to request additional information of one or more Respondents. **Gregg County reserves the right to reject any or all proposals/statements and to award contracts to primary, secondary or multiple vendors as deemed in the best interest of Gregg County.**
- Costs of preparation of a response to this request are solely those of the Respondent. Gregg County assumes no responsibility for any such costs incurred by the Respondent. The Respondent also agrees that Gregg County assumes no responsibility for any costs associated with any administrative or judicial proceedings resulting from the solicitation process.
- All documents submitted as part of the vendor's offering will be deemed confidential during the evaluation process.
- Gregg County reserves the right to accept or reject any or all bids, with or without cause, to waive technicalities, or to accept the bid which, in its sole judgment, best serves the interest of the County, or to award a contract to the next most qualified Respondent if a

successful Respondent does not execute a contract within 10 business days after approval of the selection by the Gregg County Commissioners Court.

- Gregg County reserves the right to terminate any contract with Awarded Respondent at any time, without cause, upon no less than thirty (30) days written notice, delivered by certified mail or in person, to Gregg County Purchasing Agent at 101 E. Methvin, Longview, Texas 75601.
- Respondent understands and agrees that in returning a response to this statement/bid that it is neither an "offer" nor an "acceptance" until such time a formal contract is authorized/awarded by the Gregg County Commissioners Court; if any.
- Gratuities– Gregg County may, by written notice to the Seller, cancel this contract without liability to Seller if it is determined by Gregg County that gratuities, in the form of entertainment, gifts, or otherwise, were offered or given by the Seller, or any agent or representative of the Seller, to any officer or employee of Gregg County with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of such a contract. In the event this contract is canceled by Gregg County pursuant to this provision, Gregg County shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by Seller in providing such gratuities.
- Conflict of Interest: No public official shall have interest in this contract except in accordance with Vernon's Texas Codes Annotated, Local Government Code Title 5, Subtitle C, Chapter 171. State Law (CHAPTER 176 of the Local Government Code) requires the filing of a CONFLICT OF INTEREST QUESTIONNAIRE by certain individuals and businesses.
- Insurance Requirements – Gregg County, Texas requires the following insurance coverages for contractors doing business with Gregg County, unless otherwise specified in the request for proposal or contract.
 - a. Worker's Compensation insurance with \$500,000.00 Employer Liability limits under Coverage B (no deductible)
 - b. General Liability insurance with limits of \$1,000,000.00 per occurrence/aggregate, including products and completed operations coverage
 - c. Auto liability limits of \$1,000,000.00
 - d. County named as "*additional insured*" not "*additional named insured*"
 - e. Deductible shall be \$5,000.00 or less on each of the above listed coverages
- Contractor must provide a certificate of insurance conforming to the above listed requirements or a statement from his insurance carrier certifying that required coverages shall be obtained by awarded vendor within ten (10) days of formal award of a contract. In cases where a certification letter from an insurance carrier is attached to the bid in lieu of an insurance certificate, any formal award of a contract shall be contingent upon required coverages being put into force **prior** to any performance of any duties outlined

in the contract. Also, please provide a copy of your current certificate of insurance for professional liability.

- **Prompt Payment Clause** - Gregg County, Texas will, after acceptance of goods or services and the receipt of a proper invoice from the awarded contractor, process request for payment, said payment to be paid within forty-five (45) days. Prime contractors shall then be required to ensure payment is made to any designated small or disadvantaged business (subcontractors), within fifteen (15) workdays of receipt of payment to the prime contractor from the County. Upon satisfactory completion of a contract, the County and/or prime contractor will ensure that any retainage payments are returned within thirty (30) workdays. Failure to comply with the terms of this requirement may be grounds for termination of the contract by the County.
- **Affirmative Action Clause** - The contractor, sub recipient or subcontractor shall not discriminate on the basis of race, color, national origin or sex in the performance of this contract. The contractor shall carry out applicable requirements of the appropriate funding guidelines for each contract. Failure by the contractor to carry out these requirements is a material breach of the contract which may result in the termination of this contract or such other remedy as the County deems appropriate.
- **Subcontractor Payment Certification** - Every contract by the County for the performance of work will contain a provision requiring the prime contractor to certify in writing that all subcontractors and suppliers have been paid for work and materials from previous progress payments received (less any retainage) by the prime contractor prior to receipt of any further progress payments. In the event a contractor is unable to pay subcontractors or suppliers until it has received a progress payment from the County, the prime contractor shall pay all subcontractors or suppliers funds due, from said progress payments within forty-eight hours of receipt of payment from the County. During the contract and upon completion of the contract, the County may request documentation to certify payments to subcontractors or suppliers. This provision in no way creates any contractual relationship between any subcontractor and the County or any liability on the County for the contractor's failure to make timely payment to the subcontractor.

Disadvantaged Business Enterprise (DBE) Contract Clauses

- ✓ ***Program Purpose:*** The East Texas Regional Airport has established a DBE Program in accordance with regulations of the U. S. Department of Transportation (DOT), 49 CFR Part 26. It is the policy of the East Texas Regional Airport to ensure that DBEs as defined in Part 26, have an equal opportunity to receive and participate in DOT-assisted contracts. Therefore, when the goal has not been met, prime contractors are required to submit proof showing that good faith efforts have been made, if appropriate, to contract with DBE subcontractors. All efforts must be documented.
- ✓ The following Disadvantaged Business Enterprise Contract Clauses and Good Faith Effort Requirements are only a small part of the Airports DBE Program. Any Deviations from the DBE Requirements listed herein must be clearly identified with each solicitation

response.

DBE Participation Good Faith Effort Requirements

During the contract and upon completion of the contract, the County may request documentation to certify payments to subcontractors or suppliers. This provision in no way creates any contractual relationship between any subcontractor and the County or any liability on the County for the contractor's failure to make timely payment to the subcontractor.

Participation of Small Disadvantaged Business Concerns

Specific goals are set on federally funded contracts as determined by the regulating federal agency and language to that effect shall be included in those contracts. Failure by a contractor or service provider to include these designated businesses could constitute breach of contract and result in remedial action. Assurance of utilization of S/DBE and DBE subcontractors is given thru the Letter of Intent. This letter must be provided by the apparent low bidder.

Disadvantaged Business Enterprise Goal

Gregg County is wholly committed to developing, establishing, maintaining, and enhancing minority business involvement in the total procurement process. The DBE Goal for professional services for this project is 5%.

Proposed Term of Contract

The intended term of this contract is for five (5) years.

Criminal Background Checks

Criminal background checks will be performed on any contractors, and contractor's employees that will require them to enter/work in any sensitive security areas at any of Gregg County's Facilities. These include, but are not limited to, Gregg County Airport, Gregg County Courthouse, Gregg County Sheriff's Department and/or Gregg County Jails.

The following will apply to awarded vendor personnel.

- The successful bidder shall provide information, including, but not limited to, name, date of birth, and driver's license number for each individual who will be performing work on Gregg County property.
- Vendor personnel who perform work on Gregg County property must submit to and pass a Sheriff's Department Criminal Background Check. That status must be maintained by all vendor personnel entering County buildings for the duration of the contract.
- Criminal Background checks conducted by your firm may or may not be acceptable to certain departments depending on their particular requirements. The County reserves the right to conduct additional Criminal Background Checks as it deems necessary.
- Award of a contract could be affected by your firms' refusal to agree to these terms. Award could also be affected if your firm is unable to supply personnel who can pass a Criminal Background Check. **The Criminal Background Check applies to the individual and not the company.**

Scope of Work

Gregg County is seeking a contract with a qualified, state registered engineer for professional consultant services for federally funded Airport Improvement Program.

The engineer contract will encompass all project related engineering services to the County and will but is not limited to the following:

- ✓ Runway/taxiway construction/rehabilitation
- ✓ Concrete removal and repair
- ✓ Drainage and erosion control
- ✓ Apron expansion/reconstruction
- ✓ Land acquisition
- ✓ Runway/taxiway lighting improvements
- ✓ Perimeter road construction
- ✓ Preliminary and final design plans and specifications
- ✓ Preparation of bid package
- ✓ Other special services
- ✓ Any other projects in accordance with the airport's master plan

Engineer firm or individual shall be registered to practice in the State of Texas with experience in the following areas:

- ✓ Experience with Federal Aviation Administration (FAA) assisted and federally funded construction projects
- ✓ Familiarity with projects located in the geographic area of the State of Texas
- ✓ Available to commence services immediately upon contract award

Critical success of programs/projects will be the selected certified engineer's ability to foster and facilitate team building/partnering concepts between owner representation, outside agencies, design teams, contractors, and the public which will encourage an open exchange of information and ideas throughout the contract.

Certified Engineer shall:

- ✓ Have the capability to perform all or most aspects of the project and recent experience in airport projects comparable to the proposed task.
- ✓ Have capability to meet schedules or deadlines.
- ✓ Have capability of a branch office that will work to perform independently of the home office, or conversely, its capability to obtain necessary support from the home office. The use of geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms given the nature and size of the project, to compete for the contract.

- ✓ Ability to furnish qualified inspectors for construction inspection if applicable.
- ✓ Understanding of the project's potential challenges and the sponsor's special concerns.
- ✓ Degree of interest shown in undertaking the project and their familiarity with and proximity to the geographic location of the project.
- ✓ Have Capability to incorporate and blend aesthetic and architectural concepts with the project design while accomplishing the basic requirements that transportation facilities be functional, safe, and efficient.
- ✓ Ability to meet the Disadvantaged Business Enterprise (DBE) contract goal, evidence documenting that the consultant met the DBE goal, or by documenting that it made adequate good faith efforts to meet the DBE goal. (See 49CFR§ 26.53)
- ✓ Capability to conduct a Value Engineering (VE) study for projects that are particularly complex or have unique features. Order 5100.38, Chapter 10, AC 150/5300-15, *Use of Value Engineering for Engineering and design of Airport Grant Projects*, and AC 150/5370-10, *Standards for Specifying Construction of Airports*, contain additional guidance of VE studies.

Statement Submission Requirements

Qualified professional firms or individuals interested in responding to this RFQ should include the following information along with your qualification statement. All information should be current within the past twenty four (24) months. **The Bidder shall submit qualification statements in the order listed below.**

- A. Please provide the following:
- ✓ A list of past similar projects performed for FAA-assisted projects
 - ✓ Team members, other Resumes of all team members and other key personnel, previous experience, and the role they will fill on the project. The qualifications and time commitment of the project manager proposed for the project.
 - ✓ Current workload.
 - ✓ Technical approach – a brief discussion of the tasks or steps that the consultant will take to accomplish the work described in the scope of services.
 - ✓ Value engineering – when a value engineering study is included in the selection criteria, a brief discussion of the consultant’s capability, training, and experience to carry out such a study.
 - ✓ Firm’s name, address, and phone number of person to contact regarding proposal
 - ✓ Statement regarding Disadvantaged Business Enterprise (DBE) programs.
 - ✓ Policy statement regarding travel time wages, rates, and subsistence regarding charges to the County.
 - ✓ A copy of your current certificate of insurance for professional liability insurance.
- B. List of five (5) references minimum for similar projects, both in scope and nature. Proponents will include the description of the project and the name, address and phone number of a reference contact. Familiarity with the Federal Aviation Administration Program, Advisory Circulars, Orders, Regulations
- C. A statement as to other services and strategies provided by the person or firm that will improve the County’s project and/or process.
- D. Describe your Quality Assurance/quality control processes including your tracking system(s) that will be used to monitor and control project budget. Include information on the quality of projects previously undertaken and capability to complete projects without having major cost escalations or overruns.

- E. Include information on the firm/individual financial stability, include proof of insurance.
- F. Completed forms with original Signatures.

Evaluation Criteria/Process

In accordance with FAA Circular (AC) 150/5100-14E for Architectural, Engineering and Planning Consultant Services for Airport Grant Projects, the qualification statements received will be evaluated and ranked according to the criteria listed below.

After public opening of qualification statements, an evaluation committee will score and rank the returns based on the criteria listed below. After a short list has been determined the committee may interview some or all of the top ranked firms. The evaluation committee will determine the most highly qualified firm/individual based on the information retrieved from returns, interviews and or presentation. If a contract cannot be negotiated with the highest ranked firm then the County will formally end negotiations and will notify the second ranked firm for negotiation, and so on. There is not a scheduled Commissioners Court meeting to which all interested firms will be requested to appear and make presentations.

The RFQ will be evaluated using the following criteria:

- ✓ Capability to perform all or most aspects of the project and recent experience in airport projects comparable to the proposed task.
- ✓ Key personnel's professional qualifications and experience and availability for the proposed project; their reputation and professional integrity and competence; and their knowledge of FAA regulations, policies, and procedures.
- ✓ Capability to meet schedules or deadlines.
- ✓ Quality of projects previously undertaken and capability to complete projects without having major cost escalations or overruns.
- ✓ Qualifications and experience of sub-consultants regularly engaged by the consultant under consideration.
- ✓ Capability of a branch office that will work to perform independently of the home office, or conversely, its capability to obtain necessary support from the home office. The use of geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms given the nature and size of the project, to compete for the contract.
- ✓ Ability to furnish qualified inspectors for construction inspection if applicable.
- ✓ Understanding of the project's potential challenges and the sponsor's special concerns.
- ✓ Degree of interest shown in undertaking the project and their familiarity with and proximity to the geographic location of the project.

- ✓ Capability to incorporate and blend aesthetic and architectural concepts with the project design while accomplishing the basic requirements that transportation facilities be functional, safe, and efficient.
- ✓ Capability in meeting the Disadvantaged Business Enterprise (DBE) contract goal, evidence documenting that the consultant met the DBE goal, or by documenting that it made adequate good faith efforts to meet the DBE goal. (See 49CFR§ 26.53)
- ✓ Capability to conduct a Value Engineering (VE) study for projects that are particularly complex or have unique features. Order 5100.38, Chapter 10, AC 150/5300-15, *Use of Value Engineering for Engineering and design of Airport Grant Projects*, and AC 150/5370-10, *Standards for Specifying Construction of Airports*, contain additional guidance of VE studies.
