Note of interest:

The internet service provider must provide the main fiber line from their “Point of Presence” to the Gregg County Courthouse Data Center.

From the Gregg County Data Center all installations must connect to the remainder of Gregg County entities as per the “Map Legend” identified by the “red dots” located on the map.

Addresses to all Gregg County locations are located on the Gregg County website.

Gregg County Locations

Projected “phase 1” addition as identified by the “red dotted lines” to expand off of the existing fiber.
