In accordance with the Laws of the State of Texas, Gregg County is seeking sealed qualification statements from public accounting firms to perform the annual audit for fiscal year 2015.

Is this for fiscal year 2015?

Answer:

No, it is for fiscal year 2016.

Question:

The evaluation criteria say 30% of the points will be awarded based on the experience in providing audits of “county” governmental entities. Currently, we do not audit any counties in Texas however we audit some very large municipalities but didn’t want to submit a proposal if we were automatically going to lose 30%.

Answer:

The RFQ will be weighted on the criteria as set out in the RFQ packet. Gregg County is seeking a firm or who has experience with auditing county governments.
